

Kansas Hospice Care

Our **mission** is to provide the highest level of comfort and care, honoring and respecting the dignity of each individual, and enhancing the quality of living at the end of life, under the guidance of Christian principles.

While Medicare mandates the services that hospice patients must receive, at Kansas Hospice Care, we are committed to exceeding industry standards because we recognize

that each patient's life experiences and spiritual beliefs have created a unique individual who deserves the finest care and emotional support, while honoring and respecting their needs and wishes.

Every **Kansas Hospice Care** team member and volunteer is encouraged to go beyond what is required and help all patients and their families enjoy the highest possible quality of life in the precious time they have together.
